****UPDATE****

“Two Good Soles” collects thousands of new shoes/socks

~~Official Shoe & Sock Drive benefits Pasco County school children~~

NEW PORT RICHEY, FL ---- Pasco County is proud to announce the final numbers from the “Two Good Soles” shoe and sock drive. The employees of Pasco County Government, along with Pasco County Constitutional Offices and Pasco County Schools, collected **1,117 pairs of new shoes** and **1,583 pairs of new socks** for Pasco school children – more than doubling the collection goal of 500 pairs of shoes!

The Pasco County School District will distribute the new shoes and socks through school guidance counselors who have identified children in need of these items.

“I’m so humbled by what Pasco County employees have done for these students,” said Assistant County Administrator Cathy Pearson. “On behalf of Pasco County and all of our partners, we are ‘Pasco proud’ to be donating these wonderful new shoes and socks to our schools.”

Click the following links for photos from the distribution ceremony at Ridgewood High School on Thursday, October 27:
