## **Pasco County Public Transportation offers free Wi-Fi**

*~~Free Wi-Fi internet now available on most PCPT buses~~*

**PASCO COUNTY, FL** ---- [Pasco County Public Transportation](http://www.ridepcpt.com) (PCPT) is pleased to announce that free, high-speed Wi-Fi is now available for Pasco County bus passengers! Riders can now check e-mail, stream music and surf the web during their bus commute, without having to worry about using mobile data. Passengers can now switch to free, high speed Wi-Fi on board most PCPT buses. All PCPT buses are expected to have Wi-Fi by mid-March, 2017.

“Free Wi-Fi is being offered on PCPT buses to help keep pace with riders’ busy lives,” said Public County Public Transportation Interim Director Kurt Scheible. “Riders will be able to work, catch up on the news, or just surf the web. With high speed Wi-Fi, they can stay connected and keep in touch until they arrive at their destination.”

Wi-Fi network and log in information are posted on all Wi-Fi equipped buses.
