Land O' Lakes Heritage Stage Grand Opening

~~Official ribbon cutting for the new LOL Community Center Stage~~

LAND O' LAKES, FL ---- [The Pasco County Parks, Recreation, and Natural Resources Department](#) will be holding a grand opening/ribbon cutting ceremony to dedicate a new performing arts stage in Pasco County. The ceremony will take place on **Thursday, August 17, 2017 at 11 a.m.** at the **Land O' Lakes Community Center** located at 5401 Land O' Lakes Boulevard, Land O' Lakes, Florida 34639.

The Heritage Stage as it will be called will be host to a variety of Pasco County events including school band assemblies, concerts, plays, cook-outs, pageants, and various presentations.

“This bandshell is the result of a community coming together,” said Kurt Browning, Pasco County superintendent of schools. “It represents various governmental agencies working with multiple civic-minded business leaders to build a quality structure at significant savings that will benefit the young and the old alike.”

Construction of the stage began in September of 2016. The cost of the stage was approximately \$250,000 and was a community effort made possible through donations from architects, contractors, and a grant from the Florida Department of State, Division of Cultural Affairs.

“The generous support of our community partners and the school board allowed **The Heritage Stage** to be completed in its grandeur,” said Pasco County Parks, Recreation and Natural Resources Director Kelley Boree. “This was truly a community effort and will be a transformative center piece to Land O'Lakes. The new stage and recently renovated park will continue to be a gathering place for youth, families and adults, demonstrating how parks build community!”
