CR 577 (Curley Road North) Route Study Re-Evaluation

~~Public Open House to be held December 6, 2017~~

SAN ANTONIO, FL ---- [Pasco County Engineering Services](#) is hosting a public open house on **Wednesday, December 6, 2017** for anyone interested in learning more about the update of the alternative alignments for the improvements on County Road 577 (Curley Road North). The open house is being held to gather public comments, answer questions and address concerns about the re-evaluation and update of the alternatives studied in the original Route Study that extends from north of Wells Road to north of the State Road 52/Clinton Avenue Extension Realignment.

Click [here](#) to see a map of the Route Study Route Study Re-Evaluation area: <http://bit.ly/2zYkgvF>.

The objective of the Route Study Re-Evaluation is to reassess the required improvements to Curley Road and to update the alternatives previously studied in the original Route Study based on current data and information.

WHAT: CR 577 (Curley Road North) Route Study Re-Evaluation Open House

WHERE: Saint Anthony of Padua Catholic Church Parish Center
12110 Main Street
San Antonio, FL

WHEN: Wednesday, December 6, 2017
5:00 p.m. – 7:00 p.m.

Representatives from Pasco County and the consulting team will be available during the workshop to answer questions and discuss the project informally. Aerial maps and graphics will be on display.
