**PASCO COUNTY, FL** ---- [Pasco County Community Services](#) is partnering with the Colonial Hills Civic Association and [Pasco County Libraries](#) to host the 'Celebrating Our Seniors' Community Resource Fair.

**WHAT:** 'Celebrating Our Seniors' Community Resource Fair

**WHERE:** Centennial Park Branch Library  
5740 Moog Road  
Holiday, FL 34690

**WHEN:** Friday, January 19, 2018  
10:30 a.m. – 1:30 p.m.

The event is designed to help Pasco's seniors learn more about services available in their community, and a local library seemed to be a natural fit to host the resource fair.

"As libraries continue to evolve, we have become a center hub for the community to learn and grow," said Centennial Park Branch Library Manager Robert Speich. "We are very excited to be hosting this event for seniors in our community."
