

Stormwater Management Division

Pasco County National Pollutant Discharge Elimination System (NPDES) Program

Stormwater Management Division

Multi-Sector Generic Permit (MSGP) To Regulate Stormwater Discharges Associated with Industrial Activity

Stormwater Management Division

What Do You Need to Know About The MSGP?

Stormwater Management Division

- 1.** The MSGP was issued by the Florida Department of Environmental Protection (FDEP) on September 29, 2008.
 - 2.** This permit regulates stormwater discharges from industrial facilities to prevent off-site pollution.
 - 3.** Industrial facilities are requested to develop Stormwater Pollution Prevention Plans (SWPPP) to be in compliance with the MSGP.
 - 4.** 30 industrial sectors are regulated by this permit. They are:
-

What Do You Need To Do?

1. During your daily routine, be on the “look out” for pollutants discharged from industrial facilities.
2. If you find or even suspect that an industrial facility is discharging pollutants, make notes of what you see. Be as detailed as possible, including location of the facility, date and time of the finding.
3. Call **Pasco County’s Stormwater Management Division – Customer Service - 727-834-3611** to report your findings.
