Tax Payment Program

The Tax Payment Program has been created by the Board of County Commissioners to assist homeowners who are very low income and persons who

are seniors and/or disabled pay for their property taxes. The goal for this

program is to keep homeowners in their homes.

All eligible homeowners must have household incomes under 50% of the median income for the Tampa Bay area. Currently, that is as follows (as of March 2017):

1 Person	\$20,950
2 Persons	\$23,950
3 Persons	\$26,950
4 Persons	\$29,900
5 persons	\$32,300

However, If the household has a senior (62 or over) or a family member that is disabled, there is a higher income level:

1 Person	\$33,500
2 Persons	\$38,300
3 Persons	\$43,100
4 Persons	\$47,850
5 persons	\$51,170

All persons in the household must be included, not just family members who are on the deed. Your home must be your primary residence and homesteaded

In order to qualify for assistance under this program, excluding your home and personal furnishings, you may not have assets valued over \$25,000. Homeowner's insurance is not required for this program.

Eligible Homes

Any type of home is eligible for this program, including condominiums and town houses. For mobile and manufactured homes, only the tax on the property is eligible. Mobile homes are only eligible if the land is owned, and was built after 1994. Your home cannot have a value that exceeds \$160,000 according to the Pasco County Property Appraiser. Additionally, there can be no outstanding judgments or liens placed on the property by the County, excluding paving liens and utility assessments. Your property must not

have more than 75% of its value in debt.

Applications

In order to apply for assistance, you must apply through the Pasco County Community Development Department. All information regarding your household income must be collected, including Social Security, employment, child support, bank accounts, pensions and other income and assets.

Amount of Funds Available

The amount of County funds that are available depends on how much it is anticipated that you will need to pay for your taxes. The most that is available to you is \$15,000. Once you are approved, present your tax bills for the next year to the County and we will pay the taxes directly to the Tax Collector. Tax Certificates are also eligible to be paid-off under this program. No past payments may be reimbursed. Payment of current and delinquent taxes are eligible.
