## **Residents Have Two Ways to Dispose of Storm Debris**

*~~Debris can be dropped off at landfills OR be picked up by County~~*

**PASCO COUNTY, FL** ---- Residents who need to dispose of **storm-related debris** have two options: drop off storm debris at one of two Pasco County solid waste facilities or register with Pasco County for storm debris pick-up.

### **DEBRIS DROP-OFF LOCATIONS:**

- **East Pasco Transfer Station**, 9626 Handcart Rd, Dade City
- **West Pasco Resource Recovery**, 14606 Hays Rd, Spring Hill

Both locations are open Monday through Saturday, from 7 a.m. – 4:30 p.m. **They will also be open this Sunday, September 24, 2017 from 7 a.m. – 4:30 p.m.**

The East Pasco Transfer Station can only accept tree limbs and debris of 3-inch diameter or less and 3 feet in length or less. Larger materials must be taken to the West Pasco Resource Recovery facility.

**Fees for storm debris will continue to be waived until further notice.** Fees may be charged for items other than storm debris.

### **STORM DEBRIS PICK-UP:**

The County is picking up loose, **storm-related debris** that is left in the right-of-way. **\*Pasco County will only pick up items that were damaged in the storm.**

Residents can register for storm debris pick-up on Pasco County’s website: [www.pascocountyfl.net](http://www.pascocountyfl.net) or through the [MyPasco app](#).
