## **Trash Haulers Catching Up with Extra Runs**

*~~Patience Urged as Haulers Collect More Trash in Wake of Hurricane Irma~~*

**PASCO COUNTY, FL** ---- Pasco County is urging curbside trash and recycling customers to continue placing their containers at the curb on their appointed pick-up days. If your containers are not picked up, please place them out on the next scheduled day, or leave them out until your hauler has a chance to collect them.

Pasco County's licensed haulers are making extra runs in their attempts to catch up on regular collection and the County appreciates your patience.

\*Reminder: Private trash haulers collect ordinary, household trash. They will also pick up bagged yard debris waste, up to six bags at a time.

Haulers do not pick up the following items: appliances, furniture, mattresses, electronics or other large items. Residents can dispose of these items by dropping them off at county facilities or by scheduling a separate pick-up with their private hauling service.

**1 of 1**
