Pasco County Issues Evacuation Order for Bass Lake Community

~~Waters expected to rise overnight with expected rainfalls~~

PASCO COUNTY, FL ---- Pasco County Emergency Management is recommending voluntary evacuation for residents in Lake Worrell Acres, Cranes Roost, Bass Lake, and surrounding areas (as defined within the below referenced map), as waters are expected to rise with the rainfall received today and the rainfall forecast for overnight. Evacuees should first consider sheltering with family or friends until high waters recede. If that is not an option, the Mike Fasano Regional Hurricane Shelter, located at 11611 Denton Avenue, Hudson is available for evacuations.
