Pasco County Public Transportation (PCPT) Route 54 Ribbon Cutting

~~Official ribbon cutting ceremony for the new County Connector service~~

PASCO COUNTY, FL ---- The **Pasco County Public Transportation Department's** (PCPT) *County Connector* ribbon cutting ceremony will be held on Monday, September 19, 2016, starting at 2 p.m. at the Medical Center of Trinity near the current bus shelter.

Speaking at the event will be representatives from Pasco County Public Transportation, Board of County Commissioners and the Florida Department of Transportation.

This bus route will serve commuters, shoppers, workers, other potential riders traveling the State Route (SR) 54 corridor, increasing economic opportunity and reducing traffic congestion. The County Connector will also make a stop for students at Pasco-Hernando State College in Wesley Chapel.

These changes are expected to provide shorter wait times, fewer transfers between buses, a more comfortable ride, better connections to the HART system in the Wiregrass Area and more efficient access to shopping, education and services.

For more information about the County Connector, please refer to the press release on July 28, 2016 at the following link: <http://www.pascocountyfl.net/ArchiveCenter/ViewFile/Item/3585>
