## **POSTPONED: Pasco Legislative Delegation Meeting**

**(Zephyrhills, FL – September 11th)** – The Pasco County Legislative Delegation meeting scheduled for Monday, September 18th, 2017, is postponed until later notice.

With Pasco County recovering from the effects of Hurricane Irma, the delegation's top priority is to assist in relief efforts and work to get life back to normal for the residents of Pasco County.

Representative Burgess's Office is talking with Pasco County Schools to reschedule the Delegation meeting, if possible, at Sunlake High School. When a date has been confirmed, another press release will go out.
