### **New Online Shelter Availability Feature**

*~~Pasco Residents Can Now View Available Shelters Online~~*

**PASCO COUNTY, FL** ---- Based on feedback from our residents, Pasco County has created a new online feature showing the availability of our evacuation shelters.

This new feature helps residents with their evacuation planning, by showing them which shelters are currently open or already full.

This convenient feature can be found on the Pasco County website: [www.pascocountyfl.net](http://www.pascocountyfl.net) and clicking on the “Hurricane Irma Shelters” icon
