**PASCO COUNTY, FL** ---- Pasco County Emergency Management, in conjunction with the Florida Department of Emergency Management (FDEM) and the Federal Emergency Management Agency (FEMA) have applied for a Hazard Mitigation Grant Program Project for the voluntary acquisition of flood prone structures within the County jurisdiction.

Under the National Environmental Policy Act (NEPA), Executive Order (EO) 11988 and (EO) 11990, public notice is required of any federal actions that affect floodplains or wetlands. All necessary permits will be obtained prior to construction and completion of the project.
