Visit Pasco Opens 2016 Grant Cycle

~All eligible special events scheduled during Pasco County Fiscal Year 16/17 can now apply.~

PASCO COUNTY, FL. --- The Pasco County Office of Tourism Development (OTD) and the Tourist Development Council (TDC) budgets \$80,000 yearly to market special events held in Pasco County. This year the application cycle is open until April 13, 2016.

After the OTD receives all of the eligible application packets, staff will review the information and make recommendations to the TDC. All applicants will then be required to present their information to the TDC on May 18, 2016 at the New Port Richey meeting.

“It’s truly a great program where our staff works with the Special Events to market them and the county to tourists,” said Ed Caum, Tourism Manager. “We look for unique events that can really draw people to the event. We also recognize that event success doesn’t happen overnight so we look for the potential growth as well.”

If you would like to apply for funding please call the Pasco County OTD at 727-847-8129 to discuss eligibility. You can review the forms and requirements by clicking [here](#).
