### **PCPT Bus Route 31 in Dade City Changes Service Pattern on June 27th**

*~ Changes are expected to improve customer service and increase efficiency ~*

**PASCO COUNTY, FL-** The Pasco County Public Transportation Department (PCPT) has announced it will be implementing changes to Bus Route 31 in Dade City beginning June 27, 2016.

PCPT expects the new routing will better meet the current needs of community residents. Due to low ridership, PCPT is eliminating Dade City stops at Moore-Mickens Education Center, east of U.S. 301; Fort King Road, south of Morningside Drive; and Howard Avenue, east of 17<sup>th</sup> Street; and in the area of James Irwin Education Center. To service newly-opened housing, PCPT will be adding a stop to the area of Hill Top Landing Apartments on 14<sup>th</sup> Street.

For more information or to request a copy of the updated map and times please contact PCPT by phone at (727) 834-3322, or visit the PCPT web page at <http://www.ridepcpt.com>.

The Pasco County Public Transportation Department offers mobility options by providing public, specialized, and coordinated transportation throughout Pasco County. The PCPT administrative office is located at 8620 Galen Wilson Boulevard, Port Richey, Florida 34668. For more information contact PCPT by phone at (727) 834-3322, or visit the web page at <http://www.ridepcpt.com>.
