Public Workshop – CR 54 (Wesley Chapel Boulevard) From North of SR 56 to North of Magnolia Boulevard

~Re-Evaluation of the Route Study and Pond Siting Report Addendum~

WESLEY CHAPEL, FL--- Pasco County Engineering Services Project Management Division and Kisinger Campo & Associates (KCA) will be conducting a public workshop. The workshop will be held on Friday, January 15, 2016, from 5:30 p.m. to 7:30 p.m., at Veterans Elementary School, 26940 Progress Parkway, Wesley Chapel, FL.

The workshop will be held to discuss the alternative road alignments and the Pond Siting Report Addendum for the widening and reconstruction of CR 54 (Wesley Chapel Boulevard) from north of SR 56 to north of Magnolia Boulevard. Aerial maps and graphics will be on display in order to allow for discussion of the project in a small group format with County representatives and KCA.

This is an opportunity for residents, business owners and interested persons to view the project, ask questions and provide comments.

The public is encouraged to attend.

Click on the link below for a map of the project area.
