NEW PORT RICHEY, FL – Tampa Bay Community Development Corporation (CDC) will recognize its 5000th participant educated through our Home Buyers Workshop at 6 p.m. on Wednesday, February 3, 2016, taking place at the Pasco County Commission Chambers, 8731 Citizens Drive, New Port Richey.

Pasco County's Community Development and the CDC will be surprising the 5000th attendee with a TV donated by WalMart.

As a U.S. Dept. of Housing Urban Development (HUD) approved Housing Counseling Agency, Tampa Bay CDC provides an invaluable service to residents of the Tampa Bay area via highly trained staff. Our comprehensive counseling programs provide education, guidance, and support to help them find the solutions all need for home-ownership situations. Specifically for Pasco County, the education is free for all residents seeking assistance with the County's down payment assistance program.

Pasco County offers between \$5000 and \$15,000 of Down Payment Assistance (DPA); depending on income level, home selection, etc. This is offered as well in conjunction with the Pasco Opportunity Program (POP) Program offered by Pasco County, and where CDC has provided rehab services on those homes.
