Suncoast Trail Closure in Pasco County ~~Resurfacing work February 27 – March 9~~

PASCO COUNTY, FL ---- Part of the **Suncoast Trail** in Pasco County – between State Road 52 and State Road 54 will be closed February 27 through March 9, 2018 for repairs and resurfacing.

The project is one of [Pasco County Parks, Recreation and Natural Resources'](#) scheduled maintenance plans to improve the Suncoast Multi-Use Trail. The trail will be resurfaced to repair any existing uneven areas and any deteriorating sides making the trail safer for walkers and bikers to pass one another.

The closure will include all trail access south of State Road 52 and north of State Road 54 – including access points through Starkey Park and the Suncoast Lakes subdivision. Pasco County reminds everyone to stay off the trail during this construction work.
