## **Ridge Road resurfacing project to begin**

*~~Project expected to be completed in two months~~*

**PASCO COUNTY, FL** ---- The Ridge Road resurfacing project – from Little Road west to U.S. Highway 19 – will begin on **February 8, 2017**. Road crews will be working overnight, Mondays through Sundays, from 7:00 p.m. to 7:00 a.m.

During those hours, beginning February 8, 2017, there will be single lane closures with variable message boards.

Several improvements will be made, including milling and resurfacing of the roadway, pavement markings, restriping and signal loops replacement.

Ajax Paving Industries of Florida, LLC is overseeing this project, which is expected to take approximately 60 days to complete, weather permitting. The entire project is estimated to be completed in two months.

For questions during the resurfacing project, please contact [Pasco County Public Works Paving Assessment](#) at 727.834.3601 or email: [efigueroa@pascocountyfl.net](mailto:efigueroa@pascocountyfl.net).
