

FLASH REPORT 14-2016 – COLD WEATHER ALERT

County Emergency Operations Center Level: 3
 December 30, 2016: Published at 0900 HRS EST

CURRENT SITUATION:

A cold front will be moving into our area that will allow temperatures to fall into the mid to low 30's Friday night. These conditions will continue overnight and early Saturday morning and then begin a warming trend.

These low temperatures and wind chills are dangerous to anyone who will be outside for a long period of time. Children, the elderly, and pets are especially vulnerable to the cold and extra care should be taken to protect them. Make sure to bundle up and dress in layers to keep as warm as possible!
