Beardsley Drive resurfacing project underway

~~Project expected to be completed by late May, 2017~~

WESLEY CHAPEL, FL ---- The Beardsley Drive resurfacing project – from Mansfield Boulevard East to Meadow Pointe Boulevard – is now underway. Crews are working on the road during daylight hours, Mondays through Sundays, from 7:00 a.m. to 7:00 p.m.

During those hours, there will be lane closures with variable message boards alerting drivers.

The improvements will include but are not limited to: road base repairs, resurfacing of the roadway, pavement markings, restriping and signal loops replacement.

Asphalt Paving Systems, Inc. is overseeing this project, which is expected to take approximately 60 days to complete, weather permitting.

For questions during the resurfacing project, please contact [Pasco County Public Works Paving Assessment](#) at 727.834.3601 or email: efigueroa@pascocountyfl.net.
