Overflow Parking Improvements at Anclote River Park

~~Overflow boat trailer parking is closed while area is being paved~~

PASCO COUNTY, FL ---- Major parking improvements are being made at Pasco County's popular Anclote River Park at 1119 Baillies Bluff Rd, Holiday, FL. The grassy, overflow boat parking area is being paved, complete with a turnaround loop and marked parking spaces. During construction, the overflow boat parking area will be closed. The new parking lot is scheduled to open by late July, 2016.

While work on the boat trailer overflow lot is being done, overflow for *cars* will be shifted to a separate grassy area, leaving the existing overflow car parking lot available for about 50 extra boat trailers. Parking will be limited during this time. It is recommended park visitors arrive early to find a parking spot. We apologize for this temporary inconvenience as we install a new, improved parking area which will better serve our boating community.
