Massachusetts Avenue Resurfacing Project to Begin

~~Project expected to be completed June 7, 2017~~

NEW PORT RICHEY, FL ---- The Massachusetts Avenue resurfacing project – from Little Road west to Congress Street – will begin on **Sunday, April 9, 2017**. Road work will take place at night, Mondays through Sundays, from 7:00 p.m. to 7:00 a.m.

During those hours, beginning April 9, 2017, there will be single lane closures with variable message boards alerting drivers.

The improvements will include, but are not limited to: micro surfacing of the roadway, pavement markings, restriping and signal loop replacements.

Ajax Paving Industries, Inc. is overseeing this project, which is expected to take approximately 60 days to complete, depending upon weather conditions. The project's estimated completion date is June 7, 2017.

For questions during the resurfacing project, please contact [Pasco County Public Works Paving Assessment](#) at 727.834.3601 or email: efigueroa@pascocountyfl.net.
