LAND O' LAKES, FL ---- [Pasco County Community Services](#) is hosting a ribbon cutting ceremony Monday, March 26, 2018 to celebrate the opening of the new commercial kitchen at the Land O'Lakes Senior Center.

WHAT: Land O' Lakes Senior Center Kitchen Ribbon Cutting

WHERE: Land O' Lakes Senior Center
6801 Wisteria Loop
Land O' Lakes, FL 34638

WHEN: Monday, March 26, 2018

The new commercial kitchen at the Land O'Lakes Senior Center will produce meals for the senior center congregate, home-delivered meals and Meals on Wheels programs. Producing the meals in-house will allow for substantial annual savings of approximately \$120,000.

“The Land O'Lakes kitchen project is an initiative that we've strived for several years to realize,” said Community Services Director Gabriel Papadopoulos. “With the help of Feeding Pasco's Elderly and the support and hard work of many of our benefactors, including the Pasco County School Board, our vision has finally come to fruition.”

Feeding Pasco's Elderly, a non-profit organization that supports funding for Pasco County's Senior Services Division, secured the \$250,000 in legislative dollars needed to build the commercial kitchen. Construction on the project began in early 2017.

The Pasco County [Community Services Department](#), which consists of the [Human Services](#), [Senior Services](#), and [Veterans Services](#) Divisions, is dedicated to providing centralized services by engaging the community and developing partnerships to benefit the well-being of Pasco County residents.
