It's TIME Pasco: MPO Launches Transportation Survey

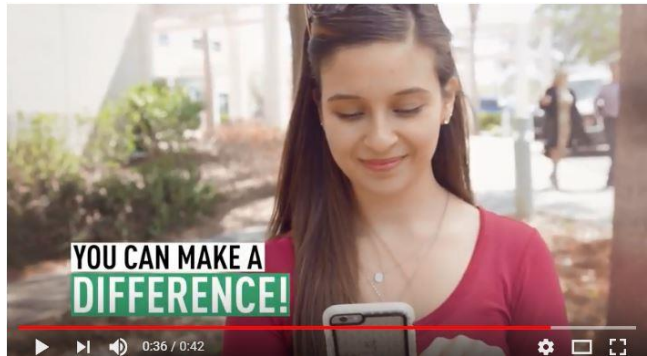

~~County-wide survey will help with future transportation planning~~

PASCO COUNTY, FL ---- Traffic on Pasco County Roads is expected to double in the next 30 years! Here's your chance to let the Pasco County Metropolitan Planning Organization (MPO) know what you think about transportation issues as we plan for the future.

Take the [It's TIME Pasco Survey today!](#)

Watch this video to learn more about this interactive survey that you can take right on your computer or mobile device.

The survey is also available on our website: pascocountyfl.net and on the [MyPasco App!](#)

The It's TIME Pasco Survey is open through June 1, 2018, and asks about safety, trails, buses, congestion, traffic and any other transportation issues you'd like to address. With the survey's interactive map, you can even pinpoint the exact location of an issue – just simply drag and drop a pin on your areas of concern and comment as many times as you like.

You can make a difference – your input will directly affect transportation improvements and projects today and in the future.

The [Pasco County Metropolitan Planning Organization \(MPO\)](#) is the lead Transportation Planning Agency for Pasco County. This survey is the first of several that will help update Pasco MPO's Transportation Plan, It's TIME Pasco, set to be adopted in December, 2019.

Take the It's TIME Pasco Survey by clicking here: itstimepasco.metroquest.com.
