Alert Pasco: Testing Is Coming, Are You Registered? *~~Emergency Notification system open to Pasco County residents~~*

PASCO COUNTY, FL ---- Are you and your loved ones registered to receive critical, up-to-date information in the event of a disaster or local emergency? [Alert Pasco](#) test messages will be sent out soon – sign up for Pasco’s emergency notification system today!

As the 2018 hurricane season begins, [Pasco County Emergency Management](#) will be sending Alert Pasco test messages **Monday, June 4, through Friday, June 8, 2018, from 10 a.m. to 3 p.m.** The message will come from 727.847.2411 and *Pasco County* will appear on your caller ID.

Signing up is simple: register directly on the [MyPasco App](#) or click here to register online: bit.ly/AlertPasco.

The Alert Pasco emergency notification system allows Pasco County Emergency Management to contact you in the event of an emergency situation near your home. You can also register your family members based on school, nursing home/healthcare facility, or work locations within Pasco.

By registering for **Alert Pasco**, you can select from a variety of alert methods including:

- ✓ Landline (home phone) call
- ✓ Text message or call to your mobile phone
- ✓ Email to an account of your choosing

For a list of Alert Pasco [Frequently Asked Questions](#), click here: bit.ly/AlertPascoFAQ.

For questions about the Alert Pasco testing, please call Pasco County Customer Service at: 727.847.2411.
