Pasco County Libraries Launches New Technology Services

~~Offerings include new streaming services, Wi-Fi hotspots and mobile printing~~

PASCO COUNTY, FL ---- The hottest technology tools continue to transform Pasco Libraries into hubs of innovation. The [Pasco County Library](#) System has launched four new offerings, including two streaming media services as well as wireless printing and Wi-Fi hotspots.

“We’re excited to continue to offer our patrons these premier streaming media services,” said libraries Public Communications Specialist Bob Harrison. “We strive for convenience and connectivity for everyone.”

New services include:

- **[Freegal](#)**: free music service offering access to more than 15 million songs. Download free of charge, up to three songs per week. Stream up to 3 hours of music per day.
- **[Kanopy](#)**: streaming movie service offering more than 30,000 feature films, independent films, foreign cinema, documentaries and kids’ movies. Movies can be streamed at no cost.
- **Wireless printing and print-from-anywhere**: print from smart phones and tablets, or from a home computer or laptop. Cost is 10¢ per page for black & white, 25¢ for color.
- **Internet-on-the-Go**: borrow a Wi-Fi hotspot for up to three weeks! The 4G LTE device is easy to set up and can connect multiple devices, including laptops, gaming consoles and more.

All Library services are available at no cost with a Pasco County Library card, which can be obtained for free at any Library branch.

For more information about [Pasco County Libraries](#), including the library catalog, E-content, programs, events and links to all Pasco County Library branches, visit: www.pascalibraries.org.
