Keep Pasco Beautiful Awarded Outstanding Non-Profit for 2018

~~West Pasco Chamber of Commerce recognizes organization's efforts~~

PASCO COUNTY, FL ---- [Keep Pasco Beautiful](#) is named the [West Pasco Chamber of Commerce](#) Outstanding Non-Profit for 2018. The award honors Keep Pasco Beautiful's continuous efforts to engage the community in litter and waste reduction while encouraging beautification.

“Our organization does amazing things in the community thanks to the dedication of our volunteers and partners who share our vision and passion,” said Keep Pasco Beautiful Coordinator Kristen King. “We appreciate the Chamber’s recognition and support.”

Keep Pasco Beautiful coordinates and develops a variety of annual local-level beautification and cleanup events, often with ties to national efforts, including:

- ❖ Coastal Cleanup (led by The Ocean Conservancy)
- ❖ Great American Cleanup
- ❖ Earth Day
- ❖ Pasco Upcycle and Art Festival

This year, Keep Pasco Beautiful is promoting the importance of trees while hosting a sapling giveaway in partnership with the Rotary Club of New Port Richey and the City of New Port Richey. The organization also brightened the landscape at Baldomero Lopez State Veterans Nursing Home in Land O’ Lakes – planting nine trees with the help of Sunlake Key Club volunteers and Covanta Pasco’s sponsorship.

Founded in 1992, Keep Pasco Beautiful continues its mission with a small, but dedicated team.
