Citizens are given an opportunity to comment on any proposition coming before the Committee during Public Comment. The Committee also takes Public Comment on items to be placed on a future Commission on the Status of Women agenda:

Presentation during Public Comment: This week is World Breastfeeding Week and Maret Wachira, IBCLC, Advocacy Chair for the Tampa Bay Breastfeeding Task Force and the FL West Coast Breastfeeding Task Force is here today to provide a short presentation on the work being done to promote and protect breastfeeding as the preferred method of infant feeding. Ms. Wachira reached out to Commissioner Starkey to ask for support of this campaign. Commissioner Starkey thought it would be more beneficial to put our Commission in contact with Ms. Wachira as we currently have a Public Health subcommittee.
