Groundbreaking Event for Fire Station 38 in Wesley Chapel

~~First new east-side fire coverage area since 2007~~

PASCO COUNTY, FL ---- [Pasco County Fire Rescue](#) will host a groundbreaking event for Fire Station 38, located in Wesley Chapel, Florida.

WHAT: Fire Station 38 Groundbreaking Ceremony

**WHERE: Overpass Rd, between Angelstem Blvd and Windchase Way
Wesley Chapel** (Click [HERE](#) to see location map.)

**WHEN: Monday, September 17, 2018
8:00 – 9:00 a.m.**

- This groundbreaking marks the first additional fire coverage area in Pasco County since 2009 and the first new coverage area in East Pasco County since 2007.
- Station 38 is a 10,843 square foot, state-of-the-art, four-bay fire station taking firefighter health into account.
- Station 38 is the first fire station in Pasco County to boast a Plymovent diesel exhaust capture system and a new type of call alerting system focused on improving response times.
