## **Pasco County Now Operates SunWest Park**

*~~Pasco County Parks brings extended hours and improvements to waterfront park~~*

**PASCO COUNTY, FL** ---- SunWest Park is officially under new management. Pasco County Parks, Recreation and Natural Resources assumed day-to-day operations as of October 1, 2018. The Pasco Board of County Commissioners approved an amended lease agreement with the previous operator, The Lift Adventure Park.

New operations under Parks, Recreation and Natural Resources will include expanded hours from sunrise to sunset, as well as new parking pay stations and a commitment to improved maintenance onsite at the popular, recreational waterfront facility.

“This is an exciting new chapter for SunWest,” said Pasco District 5 Commissioner Jack Mariano. “We’re ready to take this great destination to the next level, and are pursuing offerings and amenities that residents and visitors alike will love.”

The [Lift Adventure Park](#) will continue to provide a variety of amenities at SunWest, including the world-class wakeboarding cable system, paddle sports and an updated and expanded aqua park.

Two dozen beach volleyball courts, space for sand soccer, and the ability to host water ski teams and more makes SunWest a key sports tourism asset for the County.

[SunWest Park](#) is located at [17362 Old Dixie Highway](#) in Hudson. It’s developed around a former limestone mine, known locally as “SunWest Mines.” Gracing the shores of the 70 acre spring-fed lake, visitors can enjoy nearly a mile of waterfront, white sand beach, spectacular sunsets and watersports activities for all ages.
