## **UF/IFAS Pasco Extension Office Construction Begins in December**

*~~Some services will be temporarily relocated during demolition and new construction~~*

**DADE CITY, FL** ---- A new building will offer additional programs and a fresh, updated appearance for the [UF/IFAS Pasco Extension Office](#) at the Pasco County Fairgrounds. Beginning in December, 2018, demolition of some existing office spaces will begin, followed by new construction starting in spring, 2019.

During this time, some programs and offices will be temporarily relocated. Minimal disruption to clients, employees and programs is anticipated. We apologize for any inconvenience this work might cause; however, Extension Agents will remain ready to respond in a timely manner to all public inquiries and needs throughout the demolition and construction process.

This transition will allow us to better serve our clients and continue to expand innovative programs and offerings for the future.

We'd like to thank the Pasco Fair Association, the Pasco Board of County Commissioners, local Legislators, the University of Florida and all Extension stakeholders for their support in funding this project. Your patience while we renovate is much appreciated.

*The Pasco County Cooperative Extension Service assists Pasco County residents by developing and delivering practical, educational programs in environmental horticulture; sustainable agriculture; 4-H and youth development; and family and consumer sciences. For more information, including volunteer opportunities, visit our website: <http://bit.ly/2iB6040> or call us at 352.518.0156.*
