3. *December 3rd - Possibly start with one of our topics*

b. Other Old Business:

i. At June's meeting, it had been suggested that the Commission get palm cards. The County is open to paying for these: Quote 1 is 200 for \$43.

VI. New Business

a. ACTION PLAN for December 3<sup>rd</sup>.

VII. Closing:

a. Review of Assignments

b. Miscellaneous Business:

We received a call from a member of the Okaloosa County Commission on the Status of Women. They are working on some new ideas for their group and wanted to discuss these with other Commissions in the state to get feedback. They were given our contact info by the Florida Commission. They basically wanted to know if our Commission served in an advisory capacity to the Board, which we do. They are finding themselves in a similar predicament to us where, they are also trying to help with different causes. I let her know that we've stayed busy looking into issues that have come before us during public comment and that we've supported community events and that we recently held a strategic workshop and came up with a mission and vision statement. Furthermore, that we are currently looking to narrow the priority on one issue, so we have a specific area for our group to move towards to make an impact. Taking into consideration the resources we have.
