Pasco Extension: “Spring Cleaning” Pasture Health Improvement

~~Learn how to keep pastures and livestock healthy~~

PASCO COUNTY, FL ---- Learn how your land impacts your livestock. Whether you own cattle, horses, goats or other animals – pasture health is critical for their well-being. To help, the UF/IFAS [Pasco County Cooperative Extension Service](#) Livestock Program is offering a free weed and pasture management seminar.

WHAT: “Spring Cleaning” Pasture Improvement Seminar

WHEN: March 28, 2019
6:30 p.m. – 8:00 p.m.

WHERE: Pasco Extension Office, Clayton Hall 36702 SR 52, Dade City

The seminar is designed to teach livestock owners how to keep their animals safe from potential poisonous weeds, and to improve growth and maintenance forages.

Participants will learn:

- Poisonous Weed Identification
- Weed Control Methods
- Proper Pasture Management
- Soil Testing for Proper Fertilization

To register for this free seminar, click here: bit.ly/SpringCleaningPastureImprovement.

The Pasco County Cooperative Extension Service assists Pasco County residents by developing and delivering practical, educational programs in environmental horticulture; sustainable agriculture; 4-H and youth development; and family and consumer sciences.
