Pasco County Participates in Worldwide Building Safety Month

~~Development Services hosts events and contests to promote building safety~~

PASCO COUNTY, FL --- Pasco County [Development Services](#) is proud to champion safe construction and communities this May with [Building Safety Month](#). The 2019 campaign marks the 39th annual event presented by the International Code Council, its members and partners. Building Safety Month raises awareness about critical safety issues – including structural integrity, fire prevention, plumbing and mechanical systems, and energy efficiency.

“Whether reviewing plans or performing inspections, our experts work diligently to ensure the places where you live, work and play are safe,” said Pasco County Building Official Esther Oluyemi. “Building Safety Month highlights the importance of modern, updated building codes as well Pasco County’s proactive work with builders and contractors year-round.”

Development Services is partnering with Pasco County Libraries, Emergency Management, Fire Rescue, Community Development, Utilities, and more, to provide local events and contests to celebrate Building Safety Month including:

- Weekly Social Media Contests & Giveaways
- Disaster Preparedness Pop-Up Event
- Building Safety Adult Class @ Hudson Library
- Building Safety Cardboard Building Kids Contest
- ‘Ask a Permit Tech’ Social Media Day
- [And so much more....](#)

Pasco County has adopted [The International Codes](#), developed by the International Code Council, which are the most widely used and adopted set of building safety codes globally.
