Prepare With Pasco County’s 2019 Disaster Guide & Video Series

~~ Division of Emergency Management creates tools to keep you and your family safe ~~

PASCO COUNTY, FL ---- Hurricane season is here, and Pasco County is producing new materials to help you plan and prepare. The [Division of Emergency Management](#)’s 2019 [Disaster Preparedness Guide](#) is now available with a fresh, new look and an information-packed corresponding [video series](#) designed to keep your family safe and property protected.

“Designing and producing our disaster guide and preparedness videos in-house ensures our residents are receiving up-to-date information that’s relevant to their communities,” said Emergency Management Director Andrew Fossa. “Advanced preparation is critical.”

2019 Disaster Preparedness Guide and video topics:

- ✓ Updated evacuation zones map
- ✓ Protecting your family, pets, home & business
- ✓ Storm shelter listings
- ✓ Evacuating, including special needs and pets
- ✓ Insuring against disaster
- ✓ What to pack in your go-kit
- ✓ Recovering from a disaster
- ✓ Preparing and using sandbags effectively
- ✓ Much more!

The 2019 Disaster Preparedness Guide is available through the Pasco County Division of Emergency Management, at your local U.S. Post Office in Pasco and at all Pasco County Libraries and Fire Stations. Check out the videos at [PascoEmergencyManagement.com](#), [Pasco County’s YouTube channel](#) or on the [MyPasco App](#)!

For more information about preparing for disasters – including how to sign up for emergency notifications through [Alert Pasco](#) – please visit the Pasco County [Division of Emergency Management](#) website at: [pascoemergencymanagement.com](#) and follow us on Twitter at [@Pasco FL OEM](#).
