

**AJ's Power Source, Inc. to Expand its Operations
in Pasco County, Florida**

The veteran-owned power solutions company is adding 20 new jobs in Pasco County

PASCO COUNTY, FLORIDA (June 19, 2019) — AJ's Power Source, Inc. (AJPS) will create 20 new jobs in Pasco County. Although they can fit the new positions in their current facility, AJPS is considering eventually purchasing 2.6 acres of land from Pasco County in order to expand their current facility. Once the county was made aware of the company's potential need to expand, they offered to sell the parcel of land behind their current facility off US 41 in Land O' Lakes. The average pay for the 20 new positions will exceed the county's average wages of \$37,315 by 128%.

"I am very happy that we were able to work together with Pasco County government to help AJ's Power Source," shared Bill Cronin, president/CEO, Pasco EDC. "AJ's Power Source is a veteran-owned company and leading-edge supplier to several of our targeted industries like aerospace and defense. A great company working with a great county. We are proud of their growth in Pasco County!"

"I am very grateful for all of the help the Pasco EDC and Pasco County staff has provided to our team," said James Vaupel, President, AJ's Power Source, Inc. "We are excited about this expansion and can't wait to offer 20 new jobs to the community."

AJPS is a leading-edge supplier of ground and airborne avionics power systems to prime contractors of the Department of Defense, U.S. government agencies and its allies. AJPS has been supplying highly reliable power solutions to the Navy, Air Force, Army, Marines, Special Forces and Coast Guard for over 25 years. The AJPS standard Military and Aerospace power solutions include: COTS, MOTS, configurable, pluggable, modular & standard configurations including rack mount, chassis, fully enclosed, baseplate and custom chassis.

"I'm thrilled we were able to help AJ's Power Source expand in Pasco County," shared Pasco County Commissioner Mike Moore. "They are creating high paying jobs for our residents and it shows everyone you can work, live and play in our great community."
