Tri-County Resident “Water School” Workshop: Pre-Register Now

~~Learn about water in Florida, irrigation, pond management and more: July 20, 2019~~

SEFFNER, FL ---- The UF/IFAS [Pasco County Cooperative Extension](#) Service, in partnership with the Pinellas and Hillsborough County Extensions, and the Southwest Florida Water Management District, will offer a “Water School” for residents of the Tri-County area **Saturday, July 20, 2019.**

This program is designed for any resident, HOA Board member, or community leader interested in learning more about the state of water in Florida; proper use of fertilizers in landscaping and lawns; and irrigation basics and troubleshooting. Topics will also cover general retention pond management and the proper use of aquatic plants, as well as septic systems and their impact on Florida water.

TRI-COUNTY WATER SCHOOL WORKSHOP:

- **WHAT:** The state of water in Florida, irrigation/fertilizers, pond management & more
- **WHEN:** Saturday, July 20, 2019, from 8:30 a.m. – 2:00 p.m.
- **WHERE:** Hillsborough County Extension Office, 5339 South CR-579, Seffner
- **HOW:** [Pre-register online](#) by **July 15, 2019.** \$15/per person, includes lunch.

Pre-registration and pre-payment are required by July 15, 2019 online at: <http://2019tricitywaterschool.eventbrite.com>. All participants must provide the pre-paid ticket for admission. Sorry, no refunds.

The Pasco County Cooperative Extension Service assists Pasco County residents by developing and delivering practical, educational programs in environmental horticulture, sustainable agriculture, 4-H and youth development, and family and consumer sciences. For additional information, or volunteer opportunities, please visit our [website](#), or contact us at 352.518.0156. We are an Equal Opportunity Institution.
