Pasco County Purchasing Hosts Reverse Trade Show

~~Vendors are invited to learn about doing business with local government~~

LAND O' LAKES, FL ---- The [Pasco County Purchasing Department](#) is inviting all local vendors interested in doing business with Pasco County Government agencies to attend the **Pasco County Reverse Trade Show (RTS), August 26, 2019, from 1 p.m. to 4 p.m.** at the Land O' Lakes Recreation Complex, [located](#) at 3032 Collier Pkwy., Land O' Lakes.

“This is a great opportunity for business owners to learn how agencies throughout the county purchase goods and services, and how they can participate in future solicitations,” said Pasco County Purchasing Director Stacey Ziegler.

The Reverse Trade Show is a collaborative effort featuring representatives from more than a dozen Pasco County Government departments, Constitutional Offices, local municipalities and more.

The event is designed to be a one stop shop – allowing suppliers, contractors and other company representatives to meet with staff from multiple [Pasco County Government](#) departments in one place. The RTS encourages more vendor participation, allows departments to see the latest products and helps streamline the process for contractors and vendors who would like to do business with Pasco County.

The Reverse Trade Show is free and open to all businesses – over 90 vendors have registered to attend so far!

Registration is requested, but not required, in advance of the event. To register, send an e-mail to: sunn@pascocountyfl.net.
