**\*\*UPDATE: CORRECTED MAP\*\***

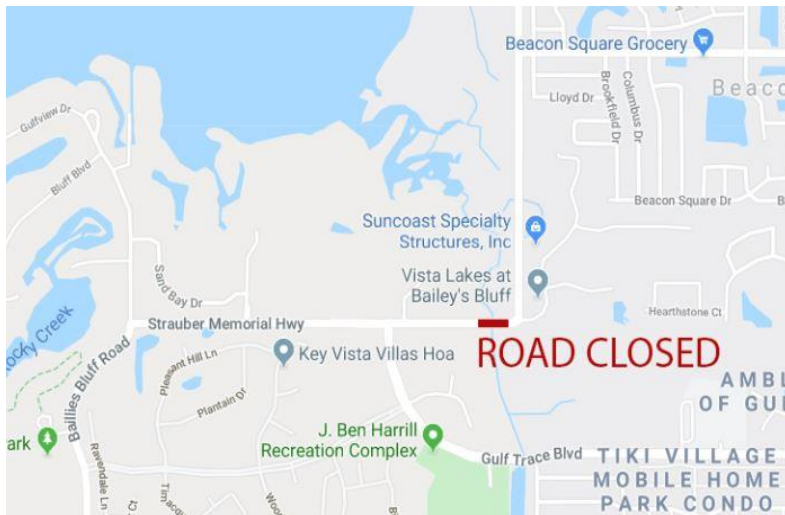

**Strauber Memorial Stormwater Drainage Project**

*~~Work begins with round-the-clock road closures starting January 22, 2020~~*

**HOLIDAY, FL** ---- The **Strauber Memorial Stormwater Drainage Project** is scheduled to begin **January 22, 2020**, with round-the-clock road closures while crews install new stormwater pipe below the roadway in the flood-prone area to increase drainage flow.

**Strauber Memorial closure and project details:**

- Expect complete lane [closure](#) with message boards directing traffic
- Northbound traffic from Baillie’s Bluff Road will be detoured through Gulf Trace Boulevard
- Southbound traffic from Trouble Creek Road will be detoured through Moog Road
- Targeted completion date is the first week of February, depending upon weather conditions.

MTM Contractors, Inc. and Mike Carter Construction, Inc. are the contractors for this Pasco County [Department of Public Works](#) project.
