

TRAFFIC CONTROL DIVISION

May 20th, 2020

Good afternoon,

We are Southern Commercial Development, LLC. We work with CSX Transportation providing traffic control and detour signage for railroad crossing closures which require routine maintenance.

CSX Railroad has scheduled the attached list of crossings to be closed for repair. This will necessitate rerouting traffic. Signage will be in place marking detour routes. Please note the expected close dates.

We will update you with changes in the schedule as they occur, as they are highly likely in this field of work. Please note that any/all dates are subject to change due to weather and/or other unforeseen conditions.

Thank you,
