PASCO COUNTY, Fla. – The Florida Department of Health in Pasco County (DOH-Pasco), in partnership with Pasco County Emergency Management, Sears at the Gulf View Square Mall and Saint Leo University, continues to provide COVID-19 vaccinations to Florida residents. In an effort to keep the public aware of COVID-19 vaccine distribution, DOH-Pasco will continue to issue updates every week.

Vaccine distribution locations continue to expand as [Publix](#) is now offering vaccines at 19 locations in Pasco County. Other retail pharmacies are anticipated to begin offering vaccines as well, such as [Winn-Dixie](#) and [Walmart](#).

It is required to have a photo I.D. when checking in for all vaccination appointments. If the online patient portal was used to register for an appointment (instead of calling), those people should bring a printed or digital copy of the confirmation email they received containing a QR code (please refer to the pictures below).

SECOND DOSE

Anyone who received their first dose of the COVID-19 vaccine through DOH-Pasco 28 days ago or more and **has not** received their second dose, can go to any of the locations listed above to receive their second dose. Do I need to be a resident of Florida to receive the COVID-19 vaccine?

State Surgeon General Scott Rivkees issued a [Public Health Advisory](#) on Jan. 21, 2021, prioritizing vaccines for residents of the State of Florida or individuals in Florida for the purpose of providing health care services involving direct contact with patients: bit.ly/397vhf3.

To prove residency, an adult resident must provide a copy of his or her valid Florida driver's license or a copy of a valid Florida identification card.

Seasonal residents* may provide a copy of two of the following to show proof of residential address:

1. A deed, mortgage, monthly mortgage statement, mortgage payment booklet or residential rental or lease agreement.

2. One proof of residential address from the seasonal resident's* parent, step-parent or legal guardian, or other person with whom the seasonal resident resides and a statement from the person with whom the seasonal resident* resides, stating that the seasonal resident* does reside with him or her.
3. A utility hookup or work order dated within 60 days prior to registration.
4. A utility bill, not more than two months old.
5. Mail from a financial institution, including checking, savings or investment account statements, not more than two months old.
6. Mail from a federal, state, county or municipal government agency, not more than two months old.

*Seasonal resident means; any person who temporarily resides in this state for a period of at least 31 consecutive days in each calendar year, maintains a temporary residence in this state, returns to the state or jurisdiction of his or her residence at least one time during each calendar year, and is registered to vote or pays income tax in another state or jurisdiction.

Please be advised that local hospitals, doctor's offices, stores, churches and 55+ communities are slowly receiving vaccines. DOH-Pasco encourages residents to reach out to them as well.

TESTING REMINDER: DOH-Pasco has reduced COVID-19 drive-thru testing to three days per week. Testing will ONLY be provided at Sears in the Gulf View Square Mall on Mondays, Wednesdays and Fridays from 8:00 a.m. to 11:00 a.m. Testing is NOT provided at Saint Leo University.
