The renovations are part of the [General Obligation Bond \(GO Bond\) Referendum](#) Pasco County voters passed in November 2018. Each library in the county’s system is being remodeled to provide you a better experience. Work includes:

- ❖ Updated Technology
- ❖ New Furnishings
- ❖ High-efficiency Air Conditioning
- ❖ High Speed Internet

“Most of the libraries were built in the 1980s, and we’re excited to completely reimagine the library experience for everyone in Pasco County,” said Libraries Program Manager Bob Harrison.

The Hugh Embry Library is expected to reopen in Spring 2022. Meanwhile, you can continue to check out books and other materials at open library branches throughout the county, including the newly renovated New River and Centennial Park branches. The South Holiday Library remains closed for remodeling.
