The Board of County Commissioners (BCC) may place official signs prohibiting parking upon certain County rights-of-way or other areas under its jurisdiction upon the passage of a resolution, which designates the right-of-way or other area where such conduct is prohibited. Any individual, group, or organization holding an event may petition the County, through the County Administrator, for a permit to allow street parking for a specified number of automobiles and a specified amount of time. The permit shall not be for more than four days in any one calendar year and the Street-Parking Permit shall not be granted for the purpose of providing parking for a nonpermitted use in a residential district. Each petition shall be reviewed for compliance with traffic safety standards and traffic-circulation control, as well as for compliance with all County ordinances. The BCC has established a nonrefundable permit fee of \$30.00.
