

1. On the top left corner of your screen, enter the appropriate information for your search. You may search by:

- Road Name
- Road Intersections
- Road Number
- Street Address

2. The Search Result box will appear. In the Search Result box, click “Zoom to”.

3. Once you locate the road on the map, click on the name. A new box with available road data will appear. To view all the data, use the scroll bar in the box.
