Mobile Food Operations Guidelines

Alcohol: Mobile food operations shall not sell alcohol unless during a permitted temporary event and in accordance with all other State and local requirements.

Hours of operation: Mobile food operations, including any setup and closing operations, shall not occur outside the hours of 6:00am to 10:00pm. When abutting a residential use/district the operations may not begin prior to 8:00 am nor extend beyond 8:00 pm unless there is a substantial sound and light barrier between the mobile food operation and the abutting residential use.

Lighting: For operations conducted between sunset and sunrise, all lighting must be reasonably contained on site without disruption to residential areas or traffic flow.

Location: Mobile food operations shall not be parked within 10 feet of, or obstruct, a fire hydrant or fire escape, or impede safe movement of vehicles and pedestrian traffic, parking lot circulation or access to any sidewalk.

Mobile Food Operations: means Mobile Food Service Operations and Mobile Food Sales Operations.

Mobile Food Sales Operations: the sale of products limited to live plants and produce that are conducted from a portable stand, vehicle or trailer. Each such stand, vehicle or trailer shall be considered a mobile food sales operation. Mobile food sales operations are often referred to as “veggie vans” or “produce trucks.”

Mobile Food Service Operations: the preparation/cooking, serving and/or sale of food from a portable stand, vehicle or trailer. Each such stand, vehicle or trailer shall be considered a mobile food service operation. Some forms of Mobile Food Service Operations are commonly referred to as “food trucks.” For the purposes of consistency with the Florida State Regulations, the term Mobile Food Service Operations shall encompass both mobile food establishments (MFEs) regulated by the Department of Agriculture and Consumer Services, Division of Food Safety and mobile food dispensing vehicles (MFDVs) regulated by the Department of Business and Professional Regulation, Division of Hotels and Restaurants.

Music: Mobile food operations shall not provide amplified music, announcements or other forms of disruptive sound.

Operations per Site: Maximum number of mobile food operations simultaneously allowed on site shall not exceed 5 unless associated with a permitted temporary event.

Rights-of-Way: Mobile food operations are prohibited on public rights-of-way within the unincorporated County.

Seating Areas: Seating areas, if provided, shall be a minimum of 20 feet from the mobile food operation and a safe distance from any customer parking and ingress/egress points.

Signage: In addition to any advertising/signage adhered to the mobile food operation itself, one sandwich sign not to exceed a maximum height of 3 1/2 feet and a sign structure width of 2 feet shall be allowed within five feet of the operation.

Trash & Recyclable: receptacles shall be provided and emptied daily. All trash is to be removed from the site daily. Dumpsters of existing businesses shall not be used without permission of that business(es).
