RE: Pasco County Evaluation and Appraisal Notification Letter

Dear Mr. Eubanks:

In accordance with Section 163.3191, Florida Statutes, Pasco County has evaluated the Comprehensive Plan and determined no amendments are necessary to address changes made to State planning requirements since the last evaluation of the Plan. Pasco County has been updating the Comprehensive Plan as necessary through the regular amendment process.

However, Pasco County does anticipate a multi-year initiative to update its Comprehensive Plan to address emerging issues facing our community as the Plan's 2025 horizon year approaches. The Comprehensive Plan will be updated in accordance with Florida Statutes.

Therefore, please consider this to be the official note to the State Land Planning Agency for the purpose of the required evaluation of the Comprehensive Plan for compliance with current State requirements. If you have any questions, please do not hesitate to contact me directly.

Sincerely,

Jeffrey R. Jenkins, MPA, AICP
Executive Planner
