Do you live or work in Pasco County? ☐

Are you 18 years of age or older? ☐

Would you like to learn more about local government? ☐

Have you wondered how the County's budget is developed? ☐

Do you know how the County is structured? ☐

How well do you know your local government?

Pasco County offers a Citizens' Academy program which provides citizens the opportunity to learn more about their county government. The Board of County Commissioners, Constitutional Officers and state agency partners, together with county team members support this program by providing informative sessions designed to give citizens hands-on experience in the vastly different departments, programs, and services that make-up Pasco County government. The program runs year round with classes that start in September and January. The programs runs for 10 weekly sessions held Wednesday's from 4:00 - 7:00 pm at different locations throughout Pasco County.
