Meet Jacquie Christmas.

Jacquie is the administrative secretary at the Public Works East Side Maintenance Facility. She joined the Public Works family a year and a half ago.

Jacquie answers citizen phone calls throughout the day and dispatches crews to sites. She assists crew members with their time sheets, oversees the interview schedule for labor supervisors and enters data related to heavy equipment maintenance.

"I work with a great group of guys and women. They are always wel-

coming and helpful. I couldn't ask for a better position," Jacquie said.

She truly enjoys assisting the citizens. When a citizen first calls, they are usually upset due to a road or stormwater issue. Listening to the citizen, Jacquie can rectify the issue in a timely manner and typically receives a second phone call with a "thank you."

In her spare time, Jacquie enjoys crafting. She makes hairbows and keychains.

She also enjoys spending time with her son and niece.

Before joining Public Works,

Jacquie worked for a youth and family alternatives center, where she scheduled parents' visitations with their children who were in the foster care system.

She and her husband, Kyle, have been married seven years.

•••

Jacquie is an integral member of the Public Works team.

Thank you for your service and dedication, Jacquie.
